

MUNICIPAL CORPORATION OF HYDERABAD

PUBLIC NOTIFICATION

Date: 21.6.2006

Sub:- MCH – Policy on Simplification of Regulation of Street Vending / Hawking in MCH area – Notified – Regarding.

1. The general public are hereby informed that the Govt. of Andhra Pradesh have issued orders regarding the policy of “Simplification of regulation of Street Vending / Hawking in Urban Areas” (vide G.O.Ms.No.398, M.A., Dt:25.9.04) in pursuance of National Policy of Urban Street Vendors. The basic objective of the said policy is to reform the licensing system for Street Vendors so that they are able to pursue their livelihood without harassment. In addition to this, the possible social cost that these occupations of street vending and hawking entail such as street congestion, lack of sanitation and hygiene and deterioration of law and order and security have also been given emphasis in framing this policy.

2. The Policy is aimed at the mobile street vendors and hawkers in the city.

Street vendors or Hawkers include:

☞☞ Mobile vendors moving from place to place trading by carrying commodities / articles on head, topudu bandi, cycle, rickshaw etc., who are called differently in different areas.

☞☞ Those who do not trade from a specific / static place continuously and move from place to place based on local demand and community needs from time to time.

☞☞ Vendors who carry their activities intermittently in different places.

☞☞ Festival / special occasions vendors

☞☞ Weekly fairs – vendors.

3. This policy does not cover:

☞☞ Stationary or static vendors with permanent / semi permanent structures including bunks undertaking business on regular basis.

☞☞ Street side vending by established / licensed / organized business houses and traders.

☞☞ Those carrying dangerous and offensive trades.

4. The system provides for dividing Urban area into 3 Zones as follows:

The division into Green, Amber and Red categories may vary with time of day, the day of the week and shall be revised periodically.

(i) Free Zone / Green vending area - areas where street vending is allowed without restrictions.

(ii) Restricted Zone / Amber vending area - area where vending is permitted on specific days and or time and or by trade.

(iii) Prohibited Zone/ Red vending area - area where no street vending is permitted.

5. The vending in the designated areas is also subject to following:
- ?? No vending shall be permitted on carriage way of roads and in the splay portion of junctions.
 - ?? Vending to be allowed at a safe distance from sensitive and objectionable areas like electric transformers, public toilets and garbage collection points, nalas, water bodies, places of religious worship, schools etc.
6. The said Policy also provides for registration of Street Vendors on a nominal fee to ensure reliable identification for only establishing the identity.
7. In this regard, it is informed that based on the above policy, the area under Municipal Corporation action of Hyderabad (MCH) has been subdivided into following 3 zones after due consultations with various groups and departments. The timings given in Amber Zone shows the period during which Vending / Hawking is allowed.
